

Welcoming Louis Young to MRG

Louis Young joining Mold and Robotics Group.

Dear Customers and Business Partners,

Happy New Year! We wish you great success in 2019.

Mold and Robotics Group is pleased to announce the appointment of Louis Young as a Sales/Project Manager of Dollins Tool in Independence, Missouri, as of January 2nd, 2019.

Louis brings an energetic passion to providing clients options and solutions to injection molding projects through part design, tooling, processing, manufacturing, automation, project management, and problem solving. With 35 years of injection molding experience, Louis is a great addition to our team at Dollins Tool. Louis has built his experience and reputation while working with some of the largest molders in the North American thin wall market. We look forward to integrating Louis resourcefulness and hands-on experience in our offerings from Dollins Tool and from the Mold and Robotics Group as a whole.

Please welcome our new additions in North America and look forward to interacting with him in the near future. Feel free to reach out to Louis at his new email address: lyoung@dollins.com or by phone at 816-252-3093.
